*Financial responsibilities are accurate as of **10/21/16 for the 2016-2017 period**; however, NGH reserves the right to make changes at any time. There are no tuition refunds once classes begin. In cases of leave of absence, the student will not receive a refund, but will be given the opportunity to re-enroll the following year to complete the program. There are no deposit refunds, for any reason. The program is NOT a Title IV participant through the Federal Department of Education. This means our students are NOT ELIGIBLE for Federal Student Aid (government-funded student loans or deferments). *Note: There is no loan program available at this time. However, the program is Local Workforce Investment Area certified and candidates may be eligible for financial assistance through the Nashville Career Advancement Center (call 615-253-8920 or 615-741-3556). SNAP program participants may also be eligible for educational financial assistance (call 1-866-311-4287).*
