

Nashville General Hospital's
Metro Healthcare Incentive Program

High-quality,
no-cost care
just for Metro
employees.

Your Metro Healthcare Incentive Program

Who is eligible to participate?

This incentive program is **open to all Metro employees, pensioners and their dependents who are covered under a Metro medical plan**. This program is **not** available to those who use Medicare for their primary insurance.

How much does it cost?

Not only is there **zero cost to participate** in the Metro Healthcare Incentive Program, but you'll also enjoy **\$0 copay for healthcare at Nashville General Hospital (NGH) and Nashville Healthcare Center (NHC)**.¹

How do I sign up?

You don't! **There's no sign up needed. If you currently have a Metro healthcare plan, you're eligible NOW!** New patients call 615.341.4YOU (4968) to book your appointment and save money.

¹ Incentive program begins in Cigna's Stage 2. Medical expenses covered entirely by Metro-funded HRA until Stage 2. To qualify for no-cost care under the Metro Healthcare Incentive Program, all ancillary/rehab services must be performed at NGH, even if employees are seeing a physician at NHC.

Your Metro Healthcare Incentive Program

Easy as 1.2.3.

Book an appointment and arrive for care at NGH or an NHC location.

Show your Metro BCBS or Cigna health insurance card.

Receive completely free or discounted healthcare and SAVE money!

Works with both   and  **Cigna**.
of Tennessee

High-quality, no cost care just for Metro employees.

Nashville General Hospital's Incentive Program

No Sign Up or Paperwork

Just show your Metro BCBS or Cigna health insurance card.

No Copays & No Deductibles

BCBS: No copays and no deductibles when you use NGH/NHC services

CIGNA: No deductibles or coinsurance once you have spent all your HRA fund.¹

\$1,000-\$2,000

You can save as much as \$1,000 - \$2,000 if all services are provided at Nashville General Hospital or Nashville Healthcare Center.²

² Savings represents out-of-pocket maximum of \$1,000 single and \$2,000 family for BCBS in-network providers, which includes deductibles and coinsurance, but not copays. You will NOT incur any copays for healthcare at NGH or NHC. Copays may be charged by a third-party lab.
